THE HOWARD-HICKORY COMPANY is a licensed general contractor and is fully equipped to execute any landscape project regardless of size and scope.

Men in our landscape department are trained to design and execute all phases of landscape development. This department is equipped to do a general landscape service, including the construction of walks, driveways, gardens, tree surgery, pruning and other services incidental to the general development and upkeep of the client's property.

We have at our disposal all types of shipping services. We have our own fleet of trucks and are favorably located so that we can use the railroad express, motor transport, and air transport.
